Please list family members or others who will be authorized to order oil for the delivery address above:

If you wish to cancel any of the above authorizations, please send or fax written notice at least 30 days prior to the date you wish it to be cancelled.

1. Each delivery must be **paid in full** before a second delivery will be made. This is especially important to those who will be on an automatic delivery plan. Our computer will not print a delivery ticket if there is an unpaid balance. It is the customer's responsibility to be sure all balances are paid before they require a second delivery.
2. Our limit is 30 days on any delivery. Your delivery ticket is your invoice. It should be paid upon delivery. An unpaid balance, which exceeds 30 days, will incur a 1.5% per month finance charge, which is 18% per year. Incurring finance charges will also subject your account to refusal of further credit, and the possibility being placed in collection status.
3. A fee of \$20.00 will be charged for any check returned to us unpaid by the bank. In the case of a bank error, please ask bank to send us a letter stating what their error was. The \$20.00 fee will still be charged, but your bank will usually refund any changes if they are at fault.

By signing this credit application, you agree to allow PORT OIL, if necessary, to pull a credit report from Credit Data of New England via TRW. The report would be used to approve credit for services provided by PORT OIL. I understand, by signing this agreement, I am legally bound to all the terms stated on all pages of this agreement.
